

A2 Computing

A Level Computing is for you if you enjoy problem solving and are interested in learning how to program. Assessment is by exam including a timed practical programming exam and a project in the second year. The course is very mathematical and you are advised to take AS Maths alongside AS Computing. A Level computing is a good choice if you are interested in Engineering, Maths, Computing or Science courses at university.

A2:
 Unit 3: Problem Solving, Programming, Operating Systems, Databases and Networking
 Unit 4: The Practical Project

Course Duration	How will I be assessed		Where do I go from here			Exam Board
