

A2 Level English Literature

English Literature is the original English A Level, focusing on great writing from Shakespeare to the present day. If you like reading, you will love this subject. Through our explorations of different stories in English Literature we learn about all of life – the psychological motivations of characters; the history and sociology of different times and places; the meaning of love and death; even the meaning of meaning!

A2:

Unit 3: Texts and Genres

Unit 4: Further and Independent Reading
