

## A2 Level History

This course will encourage you to question, imagine and argue, giving you the opportunity to develop your critical skills, knowledge and confidence. You will learn to challenge written and visual evidence and come up with your own ideas and conclusions. The course will look at History from a range of different perspectives. You will explore the causes and consequences of change.

A2:

Unit 3: War and Peace: 20th Century International Relations

Unit 4: Historical Enquiry
