

Information and Communications Technology (Applied Single Award)

Applied A Level ICT is for you if you have an interest in the application of ICT in the real world. You will study communications with ICT, and how ICT works within media and business organisations. You will look at packages including databases, spreadsheets and media applications. This is a good course if you enjoyed ICT at school or are interested in a business-related course at university. Assessment is mainly by coursework with one exam.

AS:

Unit 1: Using ICT to Communicate

Unit 2: How Organisations use ICT

Unit 3: ICT Solutions for Individuals and Society
