

## **Introductory Diploma in Art & Media**

In this course you will work both independently and as part of a team. You will also develop the skills to work professionally and to make the most of your creativity.

### **What will I be doing?**

You will study six core units:

exploring visual language

exploring materials, technologies, techniques and processes

introduction to video production

introduction to multimedia

exploring and developing Ideas

carry out a personal project

### **How will I be assessed**

This course is entirely coursework-based. Note that your course units are externally assessed. This means that an examiner will visit BSix and assess your work.

### **Where do I go from here?**

This course will give you the skills to be able to study any of the BTEC First courses at BSix. In particular, you will be best prepared for the Creative & Media Higher Diploma or the BTEC First in Art & Design.

### **Entry requirements**

Four GCSEs at grade E and you will need to demonstrate an interest in the Arts and Media, and in developing your creative skills.

### **Course Duration**

1 Year
