

Foundation Graded Examination in Music Performance: Electric Guitar

This is a Rock School course which will teach you the basics of playing the electric guitar through guiding you in learning to read music, play scales and perform songs. It is designed to be an additional course to your main programme as it is just three hours a week; as such it is ideal as an add on to a BTEC, GCSE or A Level programme of study. The course will also offer opportunities for live music performance at the College Festival.
