

## OCR Level 1 National Award in Business and ICT (Level 1.5)

This course is meant for students who achieve a pass at Level 1 in Business or other related courses. It helps to develop students' skills, knowledge and understanding of the business functions, environments and operations required to cope with the demands of Level 2 courses in Business and other related subjects. You will study eight units (five are mandatory and three are optional). These include: working as a team in Business and ICT, investigating business and the impact of ICT, introducing practical business and ICT skills, investigating options for work in business and ICT, communicating skills in business, office administration, working in retail and services and developing a new business idea.
