

BTEC EXTENDED DIPLOMA IN CREATIVE MEDIA PRODUCTION

The BTEC Extended Diploma in Creative Media Production is an exciting advanced level course designed to give students practical experience of working in the media industry.

It provides the opportunities for students to achieve a nationally recognised Level 3 qualification to either enter employment in the creative media sector or to progress to university.

Students will experiment, research and develop several different skills from video editing and production, sound design, animation, media business and many more. The course provides opportunities for learners to develop hands on skills, knowledge and understanding relevant to the current media industries.

Entry requirements

You will need 4 GCSEs at grade C or above,
or a BTEC First Diploma at Merit or above
