Dear Potential Applicant,

Thank you for showing interest in a position at BSix College.

Whilst our prime focus is inevitably teaching and learning we recognise the great importance of maintaining strong and efficient support services to underpin that focus. As a place of learning we are keen to promote the development of staff as well as students. Were you to join us you would be supported and encouraged to enhance your practice in an environment which expects hard work and professionalism from its staff but which studiously avoids any crude forms of performance management.

BSix believes that generating a nurturing ethos for staff is the surest way of effecting a positive learning experience for students. If you are attracted by that philosophy, and by the prospect of working in a lively, culturally-diverse, inner city college, we would very much welcome your submitting an application.

I look forward to hearing from you.

Best wishes.

Yours faithfully,
